## MAXIMIZE YOUR SAVINGS WITH THE BOWLING CENTERS ASSOCIATION OF OHIO'S WORKERS' COMPENSATION PROGRAM.

CareWorksComp is Ohio's leading workers' compensation Third Party Administrator (TPA), offering comprehensive workers' compensation analysis that maximizes our customers' potential BWC savings. We help employers determine the best rating or discount program available, whether that is group rating, BWC deductible, 100% EM cap or any other available BWC program that can help lower your costs.

### GROUP RATING

- Nearly 100,000 Ohio employers are currently participating in group rating.
- CareWorksComp is the only group rating program endorsed by **Bowling Centers Association of Ohio**.
- On average, for every dollar spent on fees, CareWorksComp's clients saved \$11.00 in premium dollars, a 1000% return on investment.

### GROUP RETROSPECTIVE RATING

- Rates are based on the results of employer's workplace safety and cost control efforts.
- CareWorksComp has created two tiers with different projected savings levels for each industry group. The two levels are:
  - Platinum; and,
  - Gold.

### 100% EXPERIENCE MODIFIER (EM) CAP

- The 100% EM Cap program limits the change to an employer's experience modification factor (EM) to no more than two times the prior year's EM.
- Available to both penalty and credit-rated employers.

### DEDUCTIBLE PROGRAM

- This program offers an upfront discount on employer premium rates for accepting the financial obligation - up to the deductible amount chosen ranging from \$500 to \$200,000 per claim - on any new claim incurred during the policy year enrolled.

### DESTINATION EXCELLENCE

- Several of the programs are considered compatible with each other and would allow employers to "stack" multiple discounts.
- The programs include: Industry Safety, Safety Council, Drug-Free Safety, Transitional Work Grant and Performance Bonus, Go Green Discount, Lapse Free Discount, One Claim Program and 100% EM Cap.
